

# Chatting with Tony Thacker at Speed Week 2023 on the Bonneville Up To Speed Podcast

Tony Thacker is our guest on this episode of the Bonneville Up To Speed Podcast, in an interview recorded on a windy night in Wendover, Utah at the 2023 SCTA Bonneville Speed Week. Tony is living his hot rod dream, from driving hot rods flat-out to covering events and races all over the world for TorqTalk, Hot Rod Magazine, and others. He's been a friend to us and the sport for decades, and it was fun to catch up with him and chat for a few in the Nugget Casino parking lot car show.
