Take a lap through the 2023 Muscle Car and Corvette Nationals with us after hours! The 2023 Muscle Car and Corvette Nationals show once again was jammed with unbelievable cars and displays. In this video, we take a walk-through the show after hours where the general public was not allowed to get up close in personal with many of the cars and feature exhibits. We cover the great "Who's The Boss?" Ford display, the dual engine 1966 Oldsmobile Toronado, then we see the big bodied Buick display, cars from AMC and Pontiac and Chevrolet, special featured 1968 Ford Torino GT 428 Cobra Jet, Saleen Mustangs, and much more.
